EP 4 - Introducing the Old Testament

NAME:

CLASS:

After watching the episode, I have learned:

For many Christians the Old Testament is still really important today!
Even though it is about 2500 years old (some of it is thousands of years older), it still has relevant, important and inspirational stuff to say.

TORAH - Rules

Write or draw some important rules you follow

NEV'IM - Laws

Write or draw people you think deliver important messages today

KETUVIM - Writings

Write or draw some books or media which have important influence today

Who or what has the most influence over you?
